EXPERIENCE

Associate Software Engineer
Accenture
August 2021 to Present

- Currently part of a project that supports the developers of a well-known cryptocurrency exchange platform using API endpoints and Postman to address the concerns and difficulties being experienced by the clients
- Contributed to a project with the role of application support by monitoring and escalating timely responses to the team to immediately remediate the problems being experienced by our clients
- Underwent Full-stack Java boot camp (Front-end, back-end, and DevOps) as well as upskill training (Web Development, NodeJS, and AWS IoT)

Project Engineer
Wipro Limited
June 2021 to August 2021

- Increased efficiency and productivity of the team by resolving tickets as soon as possible and communicating and coordinating with them to escalate issues to higher levels of support in order to prevent breach of Service-Level Agreements (SLAs)
- Undergone training such as Information Security and Data Privacy, helping me understand the weight of the responsibility in taking care of private information

EDUCATIONAL HISTORY

Saint Louis University
(2015 - 2020)

Bachelor of Science in Chemical Engineering
- Honorary, School of Engineering and Architecture Honor Society (SEAHS)
- Dean's Lister (2015-2019)

LICENSES AND CERTIFICATION

Licensed Chemical Engineer
May 2022

Google Cloud Associate Cloud Engineer
(2022 - 2025)
